MLS	MLS module; adds MLS (Maximum Length Sequence) capabilities, including Hadamard transform/cross correlation to EASERA.	\$900.00	\$1350.00	\$450.00
TEF-TDS	TDS module; adds TDS capabilities to EASERA & EASERA Pro. Requires Gateway high performance AD/DA converter/preamp.	\$900.00	\$1350.00	\$450.00
POLAR	Adds automated measurement and loudspeaker polar measurement capabilities to EASERA & EASERA Pro.	\$900.00	\$1350.00	\$450.00

Package Prices

EASERA & SysTune	SysTune and EASERA when purchased together.	\$1485.00	\$2227.50	\$742.50
EASERA & SysTune Pro	SysTune Pro and EASERA when purchased together.	\$1935.00	\$2902.50	\$967.50
EASERA Pro & SysTune	EASERA Pro and SysTune when purchased together.	\$2700.00	\$4050.00	\$1350.00
EASERA Pro & SysTune Pro	EASERA Pro and SysTune Pro when purchased together.	\$3150.00	\$4725.00	\$1575.00
EASERA & MLS	EASERA and the MLS module when purchased together.	\$1710.00	\$2565.00	\$855.00
EASERA & TEF-TDS	EASERA and the TEF-TDS module when purchased together.	\$1710.00	\$2565.00	\$855.00
EASERA Pro & TEF-TDS	EASERA Pro purchased with the TEF-TDS Module.	\$3000.00	\$4500.00	\$1500.00
EASERA Pro, TEF-TDS & POLAR	EASERA Pro purchased with the TEF-TDS and POLAR Modules.	\$3850.00	\$5775.00	\$1925.00

Entry Level EASE JR, EASERA & SysTune Package Prices

EASE JR & SysTune	EASE JR and SysTune when purchased together.	\$1485.00		
EASE JR & SysTune Pro	EASE JR and SysTune Pro when purchased together.	\$1935.00		
EASE JR & EASERA	EASE JR and EASERA when purchased together.	\$1620.00		

EASERA & SysTune Accessories

US Dollars

TEF04P Omnidirectional measurement microphone with padded carrying case. \$395.00 each

GATEWAY No longer available.

Please refer to <http://www.sda-support.de/EaseraAudioDevices/Viewer.aspx> for information about the compatibility of many widely available sound cards.

DELIVERY METHODS

WEB DELIVERY

The normal method of delivering EASERA, EASERA Pro, SysTune, SysTune Pro and their associated modules is by download from a secure website. You will need a high speed (cable modem, DSL or better) internet connection capable of handling 50 MB program and 200 MB loudspeaker data files.

HARD COPY DELIVERY

Program CDs and a hard copy of the Tutorial manual are also available for a nominal fee (\$35.00) plus shipping charges. (Import duties, local taxes and brokerage fees are the responsibility of the purchaser.) For shipments within the USA allow \$7.50 for UPS Ground and \$35.00 for overnight serv-

TERMS AND CONDITIONS

LICENSING POLICY

EASERA, EASERA Pro, SysTune and SysTune Pro are open format software programs intended for use by acoustical consultants, design engineers, contractors and others engaged in the design, installation, or analysis of electro-acoustic systems.

The programs are available to all individuals and organizations engaged in the foregoing activities with no restrictions.

LICENSES

The license fees for EASERA, EASERA Pro, SysTune and SysTune Pro cover the program's installation and simultaneous use on 2 (two) or 4 (four) PC's. Owners of 2-user key and 4-user key licenses may add additional user keys in sets of two for the prices shown on the previous page.

Use of the software programs is ongoing with no fixed termination or renewal date. There is no annual or bi-annual renewal fee.

AFMG is committed to continually improving its software programs and to providing regular program updates to its licensees at no charge.

The initial license fee covers and includes:

1. The complete software package.
2. A complete Tutorial manual. (Available for download in PDF form on the Renkus-Heinz website, www.renkus-heinz.com, or as a printed document if ordered separately).
3. Ongoing e-mail, telephone or fax software support.

LIMITATIONS

EASERA, EASERA Pro, SysTune and SysTune Pro licenses are subject to all the normal laws and restrictions governing the use and sale of software.

Details are provided with the software or are available in advance on request.

COMPUTER REQUIREMENTS

EASERA runs under Windows 98, Windows 2000, Windows XP, and Windows Vista operating systems on PC's with a minimum graphics resolution of 800 x 600; 1100 x 850 resolution is preferred. Windows 95 and Windows NT are not supported and Windows ME (Millennium) is not recommended.

Minimum requirements are a machine with 256 MB or more of RAM, 1 GHz or higher clock speed and at least 2 gigabyte or more of hard disk space (EASERA requires a minimum of 40 MB of hard disk space.) Faster, higher than 1 GHz clock speeds and larger 512 MB or even larger RAMs are highly recommended for advanced users.

EASERA and SysTune require a sound card with a line input to do basic measurements.

Detailed information about the essential sound hardware properties needed by EASERA, EASERA Pro, SysTune and SysTune Pro is available on our web site, www.renkus-heinz.com, and on SDA's website, www.easera.com.

TERMS OF SALE

All orders are subject to our review and approval. Terms of sale are cash in advance or credit card unless other terms are approved by our Credit Department.

We accept Visa, MasterCard or American Express credit cards. All sales are final.

Prices effective January 15, 2011; subject to change without notice.
