
It's not simply Black & White

it's  **RENKUS-HEINZ**

CF/CFX Loudspeaker Systems

Sound you can listen to, or a budget you can live with?
Advanced technology or affordability?

Don't answer. Instead, ask a more interesting set of questions:
Compact or miniature? Powered or non? RHAON digital net-
working or analog wiring? And oh yes, black or white?

Built with our renowned Complex Conic Horn Technology,
CF/CFX Series answers - "Yes, of course, no problem."
